

**Amendments to the Specification:**

Please replace the paragraph beginning at page 1, line 6 with the following amended paragraph:

This application is a §371 national stage of PCT International Application No. PCT/US2003/021348, filed July 3, 2003 on behalf of H. Lundbeck A/S, which claims priority of U.S. Serial No. 10/189,146, filed July 3, 2002, now abandoned, the contents of which are hereby incorporated by reference into the subject application.
